12 Defendants.

Case No. 2:13-cv-00652-JCM-CWH

ORDER

13 This matter is before the Court on Plaintiffs' Motion for Fair and Speedy Trial (#10), filed June
14 28, 2013. It is not entirely clear what Plaintiffs are requesting, but it appears they request that this
15 matter either be set for trial or default entered. Neither request is appropriate in light of the
16 recommendation that the case be dismissed. *See* Report and Recommendation (#9). Plaintiffs have
17 filed an objection to the recommendation. *See* (#11). Plaintiffs are instructed not to file additional
18 motions until the recommendation and objection thereto have been resolved. Accordingly,

19 **IT IS HEREBY ORDERED** that Plaintiffs' Motion for Fair and Speedy Trial (#10) is **denied**
20 **without prejudice.**

21 Dated: July 9, 2013.
